Dear Angus

Thank you for your letter dated February 16, 91
It was a great surprise to receive your letter
with such a wealth of knowledge in
response to a letter I sent to the Stornoway
Gazette

I knew it was my grandfather that owned
the boat, but the details of the boat
and its performance I found very interesting.
I read with interest ~~also~~ that your son is a
crew member of "ACT 4", it berth 1 mile from
where I work in Melbourne.

I have stayed with Alaster Smith in Glasgow
when I first went to Scotland in 1956
and with my wife Ena & 3 children
(then 6, 8, 10) in 1972. Also spent a
lot of time with Margaret & Jan (Caros)
Betty etc. I see Alick John the odd
time he sails from his home in New
Zealand to Australia. Fodley lives in
Perth and we see him every few years.

My father, Murdo died in Sydney in
1956 aged 80. My mother, Mary, lives
alone in the family house in Sydney
she was 92 years "young" yesterday.

I have an elder brother Alaster, 69, 6
kids. Another brother Peter 67, 2 kids, I
am 65, 3 kids, my wife is from Jersey
in England. I met my wife on a boat
going to Norway (to ski) February 1957.
We married in Vancouver ^{Canada} in 1959 and
lived there for 4 years before we returned.

in Sydney (1500 mile from Melbourne). They
will find your information most interesting.
Again thanking you for your efforts
in supplying the information.

With kindest regards

Yours sincerely
Angus MacFarlane
